

Advance.

Innovation is at our core.

The IHC Group is a synchronized insurance organization. Our agents don't revolve around us—we revolve around them. We collaborate with them to create health care solutions for individuals, families and employers—that's agent-centric, and that's what makes us different. By working together, we've grown to more than \$1.3 billion in assets, 1 million customers and thousands of health insurance agents nationwide.
